

SFCC Running Start: Math Options

** DON'T PUT MATH OFF DURING YOUR TIME AT SFCC!*

** DOING SO COULD ENDANGER YOUR CHANCE OF GRADUATING HIGH SCHOOL ON TIME.*

1. Continue with MATH at your high school

- Consult your high school guidance counselor

2. Bypass testing using *Alternative Placements*

- **SAT math score ≥ 550 or ACT math score ≥ 23**
 - *placement into Math 107, 146 or Philosophy 120*
- **Pre-Calculus Agreement**
 - *Transcript must reflect TWO consecutive semesters of Pre-Calc with a 3.0 or higher (no B-)*
- **Smarter Balanced**
 - *LEVEL 4 or LEVEL 3 + 3.0 in two semesters of precalculus = MATH 141*
 - *LEVEL 3 or LEVEL 2 + 3.0 in high school bridge course = MATH 107*

3. MyMath Test Study Program & Placement Test

- *see reverse for more information*

MyMath Test: Study Program & Placement Test

1. ACTIVATE

- Request activation online by going to the *Announcements* on the SFCC homepage and following the instructions for submitting the online form.
- *If you did Placement Testing, that \$30 fee will also cover ONE activation during your time at SFCC.*
- *If you bypassed placement testing and paid \$15, you will only need to pay \$10.*

2. CHOOSE A PATHWAY

- Your SFCC *COUNSELOR* or *ACADEMIC ADVISOR* will help you choose the correct pathway.
- *MATH LITERACY: Math 87, 88, 107, 146*
- *ALGEBRA INTENSIVE: Math 90, 93, 94, 98, 201, 208, 141*

3. PRACTICE

- Once activated, you have access to the programs practice test and study plan for 16 weeks (*4 months!*)

4. TEST

- Once you are ready to take your test, check the drop-in testing dates on the MyMath website. *We test at least once-a-week, throughout the year.*
- You will have **TWO** chances to test during the 16 week account (*for the entire sequence...not for each individual test.*)
