**SFCC Running Start: Math Options**

* Make sure that you don’t put math off too long during your time at SFCC! *Doing so could endanger your chance of graduating high school on time.*

1. **Continue with MATH at your high school**
   - Consult your high school guidance counselor

2. **Bypass testing using Alternative Placements**
   - **SAT math score ≥ 550**
     - placement into Math 107, 221 or Philosophy 120
   - **ACT math score ≥ 23**
     - placement into Math 107, 221 or Philosophy 120
   - **Pre-Calculus Agreement**
     - Transcript must reflect TWO consecutive semesters of Pre-Calc with a 3.0 or higher (*no B-*)
     - Student must and submit a Pre-Calculus Agreement

3. **MyMath Test Study Program & Placement Test**
   - see reverse for more information

Contact the SFCC TESTING CENTER with any questions:
509-533-3401  SFCCTesting_ctr@spokanefalls.edu
1. ACTIVATE
- Request activation online by going to the Announcements on the SFCC homepage.
- If you took the Compass test, that $30 fee will also cover ONE activation during your time at SFCC.
- If you did NOT take the Compass test, you will need to first pay the $30 testing fee.

2. CHOOSE A PATHWAY
- Your SFCC COUNSELOR or ACADEMIC ADVISOR will help you choose the correct pathway.
  - MATH LITERACY: Math 87, 88, 107, 221
  - ALGEBRA INTENSIVE: Math 90, 93, 94, 98, 201, 208, 141

3. PRACTICE
- Once activated, you have access to the program for 16 weeks.
- Utilize FREE PEER TUTORING in 30-115!

4. TEST
- Once you are ready to take your test, check the drop-in testing dates on the MyMath website. We test at least once-a-week, throughout the year.
- You will have TWO chances to test during the 16 weeks (for the entire sequence...not for each individual test.)
